Dear Mr. Miller:

In response to your letter to Mr. George Carver dated 18 February 1976 forwarding a revised draft on the 1970 Cambodia estimates case, please be advised that Mr. Carver has reviewed the revised draft and concludes that there is no objection, on security grounds only, to the inclusion of the extract, as revised, in a report for public release.

Our lack of objections to a public release does not constitute official Agency approval of or agreement with the contents or findings of the report.

Sincerely,
